

# Bunny's Big Day

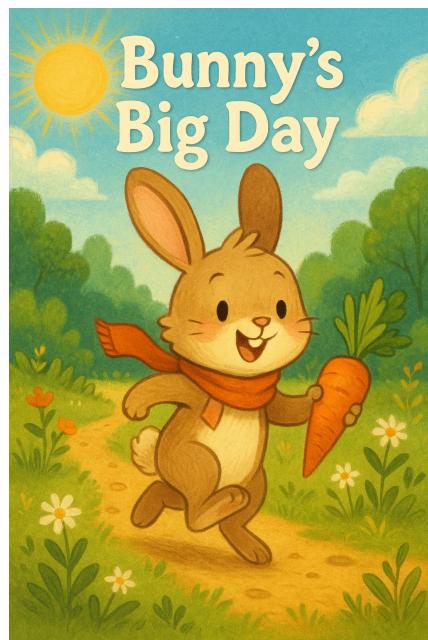

---

The morning sun peeked through the trees.  
Bunny jumped out of bed with excitement.  
"Today is my big day!" he shouted happily.

He brushed his ears, tied his favorite scarf,  
and bounced outside.  
On the path, he met his friend Tommy the  
Turtle.

"Where are you hopping so fast, Bunny?"  
asked Tommy.

"I'm going to find the biggest carrot in the  
whole forest!" Bunny said proudly.

Bunny hopped past flowers, leaves, and  
buzzing bees.

Then he saw it—an enormous carrot sticking  
out of the ground!

"That's the one!" he said, eyes wide.

He pulled... and pulled... and  
**PUUULLLED—**

**POP!** Out came the carrot, and Bunny  
tumbled back, giggling.

Later, Bunny and Tommy sat together,  
munching on the big carrot.

"This was the best day ever," Bunny  
whispered with a smile.

And as the sun slowly set, the sky winked  
goodnight.
